# Community Journalism at *The Carrborean*

*The Carrborean* embraces a model of community journalism based on hyperlocal reporting by people who want to tell a story about the arts, living, and civic engagement in Carrboro. We seek contributions from everyone with the purpose of connecting all of us who live in, work in, and visit Carrboro. This kind of community engagement - news generation model is gaining traction around the U.S. as people seek new (or return to old) ways of connecting with purpose, curiosity, humor, and compassion.

Feedback we've received shows that people want to know what's going on in Carrboro. They also want to know who their neighbors are and what's important to them. They want to support local businesses and intentionally contribute to making Carrboro a great place to live, work, and visit. There isn't just one story about Carrboro. Tell yours.
